

After the conference, we are pleased to invite you to a unique Technical Session on our pilot with autonomous vehicles at Ruter's garage in Groruddalen.

This is your chance to:

- **Experience the future of mobility** first-hand with a demo ride in one of our self-driving vehicles.
- **Go behind the scenes** and explore the technology that makes autonomous public transport possible.
- **Engage with our experts** and discuss how self-driving solutions can transform urban mobility.

The session will provide both a practical demonstration and a deep dive into the technology, offering valuable insights for anyone interested in the future of collective transport.

Date & Time: October 29, 2025 - 15:00 – 18:00
(immediately following the conference)

The garage is located at a bus depot at Brubakkveien 16. It is a 400 m. Walk from Grorud train station. Grorud station is operated by Line 1 (L1) from Oslo Central Station.
